It includes no-cost membership to a participating fitness center and at-home fitness kits. Silver&Fit provides educational materials to help you learn the fundamentals of healthy aging and social activities, such as community events, museum and zoo tours, and potlucks. Get a yoga mat or exercise bands and track your exercise and other activity on Fitbit or Garmin wearable fitness device. Earn points for your activity and redeem them for valuable merchandise.

ELIGIBLE DEPENDENTS

You may elect to cover your eligible dependents as summarized below.

- Your legal spouse. Proof of marriage is required.
- Your domestic partner. All domestic partners must be registered as domestic partners with the state of residence and provide proof to the Aerospace Benefits Service Center. Same-sex partners are eligible. Opposite-sex partners may be eligible if they reside in California, one or both are age 62 or older, and they meet the eligibility criteria under Title II of The Social Security Act. Contact the Aerospace Benefits Service Center for more information.
- Children. Your children or your spouse's/covered domestic partner's children generally may be covered up to age 26. If the child is disabled and already on your Aerospace medical plan, he or she may be eligible for coverage beyond age 26. Also, children of retirees who live in Florida and are enrolled in the Anthem Blue Cross EPO are eligible for coverage up to age 30. Contact the Aerospace Benefits Service Center for more information.

YOUR MONTHLY CONTRIBUTIONS FOR MEDICAL COVERAGE

Your cost for each medical plan option is shown on the Aerospace Benefits Service Center portal. The cost for coverage depends on the medical plan you choose, the number of eligible dependents you cover, and eligibility for Medicare for each participant.

Important note: Rates for retirees with split coverage (i.e., one spouse is Medicare eligible and one spouse is not) are not bundled. For example, the spouse who is under age 65 can enroll in Kaiser Permanente and the spouse who is over 65 can enroll in the Anthem Medicare Preferred (PPO) with Senior Rx Plus option. Individual rates will be posted on the Aerospace Retirees website at retirees.aerospace.org.

Aerospace contributes a monthly fixed dollar amount toward retiree medical coverage, called a Defined Dollar Benefit (DDB). Tier A retirees receive the full DDB and Tier B retirees receive a percentage of the DDB based on years of service rounded down. Note: If the total monthly premium is less than the DDB, your monthly cost will be zero.

How to Make Payments

If your monthly medical plan cost sharing amount is currently deducted from your pension, you can continue to pay this way. Northern Trust will send you a statement in early January reflecting your 2023 cost-sharing amount along with new gross pension payment information.

You will receive a monthly invoice mailed to your address on file with Aerospace Employee Benefits if:

- You are a new retiree in 2023 or later;
- You are not receiving a pension payment;
- Your medical cost-sharing amount is more than your monthly pension; or
- You have elected to be on direct bill.

If you move, please keep your address updated with the Aerospace Benefits Service Center (see page 18 for mailing address).

How Medicare and Aerospace Retiree Medical Coverage Work Together

IF ELIGIBLE, MEDICARE ENROLLMENT IS REQUIRED (POST-65)

You Must Enroll in Medicare Part A (Hospital) and Part B (Medical)

If Medicare eligible, you and/or your covered spouse/domestic partner must enroll in Medicare Parts A and B to be eligible for Aerospace Retiree Medical plan coverage.

In some instances, such as End Stage Renal Disease (ESRD), the Centers for Medicare & Medicaid Services (CMS) requires a waiting period before Medicare becomes primary. In that instance, under age 65 premiums will apply to the covered participant.

Medicare Part D (Prescription Drug Coverage)

Some medical carriers may require additional information to enroll in Medicare Part D (prescription coverage). Medicare Part D can only be assigned to one medical insurance plan at a time. Medicare Part D must be assigned to the Aerospace retiree group medical insurance carrier to continue your eligibility.

If you and/or your spouse are newly enrolling in retiree medical and you are over age 65 and have not had continuous Medicare Part D prescription coverage, your medical insurance carrier may charge an additional Late Enrollment Penalty (LEP) amount due to late enrollment in Medicare Part D. You will be responsible for paying this additional LEP amount in addition to the monthly retiree medical cost-sharing amount that you pay to Aerospace if a gap in coverage is determined.

Important: If You Become Medicare Eligible in 2023

If you and/or your dependent will turn age 65 in 2023, you will receive a letter from the Aerospace Benefits Service Center at least two months prior to your 65th birth month notifying you that you must contact the Social Security Administration at 800.772.1213 to sign up for Medicare Parts A and B.

You are eligible for Medicare effective the first day of the month in which you turn age 65. If your birthday happens to land on the first of the month, you will be eligible for Medicare on the first of the month prior to your 65th birthday.

Once you acquire your Medicare Beneficiary Identifier (MBI), Medicare Part A effective date, and Medicare Part B effective date, you can view the plans available to you and enroll by either visiting our website at <https://compass.empyreanbenefits.com/aerospace> or by contacting the Aerospace Benefits Service Center at 844-361-2400, from 7 a.m. to 4 p.m. PT, Monday through Friday.

Important

If you do not provide evidence of Medicare Parts A and B coverage, your coverage in the Aerospace Retiree Medical Plan will be terminated. Medical coverage cannot be reinstated until the next Aerospace Open Enrollment period with proof of Medicare coverage. If you have questions, call the Aerospace Benefits Service Center at 844.361.2400.

ASSIGNING MEDICARE BENEFITS

If you are eligible for Medicare and are changing Aerospace medical coverage during Open Enrollment, the Aerospace Benefits Service Center will inform you of next steps.

Private Contract Services are Not Covered

Services or supplies provided under a private contract between the member and provider who has opted out of the Medicare program are not covered by Medicare or the Anthem Medicare Preferred PPO with Senior Rx Plus Plan. An example would be concierge services. You would be 100 percent responsible for the payment of these services. If you have any questions regarding this exclusion, please call the Anthem Customer Service number for the plan you are considering listed on page 19.

Anthem Medicare Preferred (PPO) with Senior Rx Plus Plan

The Anthem Medicare Preferred (PPO) with Senior Rx Plus is a Medicare Advantage plan. This plan is available nationwide and includes prescription drug coverage. To participate in this plan, you must be enrolled in Medicare Parts A and B.

Aerospace retirees can view more information on the plan provisions of the Anthem Medicare Preferred (PPO) with Senior Rx plan at retirees.aerospace.org.

What are some of the features of the Anthem Medicare Preferred (PPO) with Senior Rx Plus Plan?

- No deductible
- Known copays for services such as primary care physician visits, specialist visits, etc.
- Participants can go to any provider (in-network or out-of-network) as long as the provider accepts Medicare and agrees to bill Anthem as the primary
- Claims will be processed more efficiently because they will go directly to Anthem and providers no longer have to bill Medicare first
- One ID card, instead of two, which will be used for both medical services and prescription drugs
- Access to wellness programs such as Healthways Silver Sneakers Fitness and discounts on weight loss programs and nutritional supplements

If you have questions on the 2023 Anthem Medicare Preferred (PPO) with Senior Rx plan, please call the Anthem First Impressions Welcome Center at 833.848.8729, Monday through Friday, 8 a.m. to 9 p.m. ET. TTY/TDD users should call 711.

Notice Regarding Use of Social Security Numbers

Under Section 111 of the Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA), the Centers for Medicare and Medicaid Services (CMS) generally requires Social Security numbers for retirees and dependents to assist with reporting under the Medicare Secondary Payer requirements. Accordingly, when you enroll in the Aerospace Retiree Medical Plan, you are required to provide Social Security numbers for yourself and any dependents you wish to enroll to assist us in complying with this requirement.

Frequently Asked Questions

Q: My spouse is working and is covering me under his/her medical insurance. If I waive my retiree medical coverage with Aerospace, can I re-enroll again with the Aerospace Retiree Medical Plan later?

A: Yes. If you are a retiree and had previously waived Aerospace retiree medical coverage because you were covered by another medical plan outside of Aerospace, you may re-enroll in an Aerospace Retiree Medical Plan within 31 days of a life event such as loss of other coverage due to termination of spouse's employment. You will need to provide proof of the life event and log in to or call the Aerospace Benefits Service Center to make your new election.

If you did not lose outside medical coverage but would like to re-enroll in an Aerospace Retiree Medical Plan, you may do so during the Aerospace Open Enrollment period. Aerospace Open Enrollment is held in early November each year with an effective date of January 1. Open enrollment information is also available on the Aerospace Benefits Service Center portal at <https://compass.empyeanbenefits.com/aerospace> or on the Aerospace Retirees website at retirees.aerospace.org.

Q: If I marry after retirement, can I add my new spouse to my Aerospace retiree medical plan?

A: Yes, a retiree may enroll a new spouse as an eligible dependent within 31 days of the marriage date. You will need to provide a copy of the marriage certificate and complete the dependent information on the Aerospace Benefits Service Center portal. Otherwise, you may add the new spouse during the next Aerospace Open Enrollment period with proof of the marriage.

Q: Can my survivor continue Aerospace medical coverage in the event of my death?

A: Yes, but only if the survivor meets the Aerospace eligibility requirements for survivor medical coverage and is not eligible for another group medical plan. If the survivor is on the Aerospace medical plan and subsequently remarries, he or she will no longer be eligible for Aerospace medical coverage and will need to terminate medical coverage at the end of the month of the new remarriage date.

Q: I have questions about TRICARE retiree coverage. Who do I talk to?

A: Contact TRICARE (Selman and Company) at 800.638.2610 or visit www.selmanco.com/tricare-supplement.

Q: I'm not comfortable enrolling on line. Can I get a paper form to make my election?

A: Unfortunately, we no longer have paper enrollment forms to send to participants. If you're having trouble logging in to enroll, or if you need to enroll with the help of a service center representative, please call the Aerospace Benefits Service Center at 844.361.2400 between 7 a.m. and 4 p.m. PT, Monday through Friday.

Q: If I turn age 65 during the year, how and when do I need to enroll in Medicare?

A: You will receive a letter from the Aerospace Benefits Service Center at least two months prior to your 65th birth month notifying you that you must contact the Social Security Administration to sign up for Medicare Parts A and B. For more details on the enrollment process, see page 9.

Q: What is the difference between an HMO, EPO, and PPO?

A: Each plan differs in the benefits offered and you should review the detailed medical plan comparison charts at the Aerospace Retirees website at retirees.aerospace.org.

There are general differences in the plans regarding the providers you may use and how you receive plan benefits:

- A Health Maintenance Organization (HMO) decides how much, the kind, and the location of the patient's medical care. Referrals from your primary care physician may be required to see a specialist. In most HMOs, the enrollee must use the doctors and hospitals that are members of the HMO network, or with which the HMO has contract agreements. HMOs also have limited benefits outside of their service area, generally only for covered emergencies.
- Exclusive Provider Organization (EPO) is similar to an HMO in that you must use the EPO providers except in the case of a covered emergency. However, you would not need a referral to see an EPO specialist. The Anthem EPO is only available to non-California retirees and dependents who are Pre-65 (non-Medicare).
- A Preferred Provider Organization (PPO) lets you choose from most licensed providers (including those outside of the United States). However, if you are under age 65, you will generally have a lower out-of-pocket cost when you use in-network providers. Medicare-eligible participants must use a provider who accepts Medicare. Note that private contract providers, such as "concierge" providers, are excluded from coverage under the Anthem Medicare Preferred (PPO) with Senior Rx Plus plan.

Types of Changes During the Year

Your coverage choices will stay in effect through December 31, 2023, unless you have an eligible life status event. Report the life status event to the Aerospace Benefits Service Center within 31 days of the event. You may also need to take action during the year as shown below.
