# Common health plan terms

Here is a list with definitions of frequent terms found throughout this guide.

## Care

**Facility** - A location for receiving care.

Examples: hospital, skilled nursing facility (SNF), imaging center.

**Inpatient care** - Medical treatment for someone formally admitted to a facility with a doctor's order. Without a doctor's order, it may be considered outpatient care, even if you stay overnight.

**Outpatient care** - Medical treatment for someone not admitted to a facility. May take place in a doctor's office, clinic, or hospital outpatient department.

**Preventive care** - Services and treatment to prevent illness or injury. Examples: Annual Wellness Visit, screenings, diet or exercise counseling.

**Primary care provider (PCP)** - A general practice doctor, nurse practitioner, or physician assistant who treats basic medical conditions and is often the first person patients see for health concerns.

PCPs provide checkups, vaccinations, and screenings. They help diagnose conditions and refer to specialists when needed.

You are not required to select a PCP.

**Provider** - A medical professional who provides care. Examples: doctor, specialist, physician assistant, nurse practitioner, nurse.

**Annual out-of-pocket maximum (or max OOP)** - Maximum amount you pay for medical costs each plan year. After paying the max OOP, you pay nothing for covered services until the next plan year. Copays, coinsurance, and deductibles count toward the max OOP, but not all costs do.

**Summary of benefits** - A summarized list of medical care and drugs the plan covers.

**Coinsurance\*** - A percentage you pay for covered services or drugs after paying your deductible. The plan pays the rest.

**Copay\*** - A fixed dollar amount you pay for covered services or drugs after paying your deductible. The plan pays the rest.

**Cost share\*** - Also called "cost-sharing amount" or "your share of the costs." Usually a copay or coinsurance, this is the amount you pay for covered services or drugs, while the plan pays the rest.

**Covered services and drugs** - Medical care and drugs your plan pays for under the plan terms.

**Deductible\*** - The fixed dollar amount you pay for medical care or drugs before the plan begins to pay.

# Prescription drug benefit highlights

## You'll save money on prescription drugs with:

### Covered medications

We cover generic, brand name, and specialty drugs that Medicare Part D allows us to cover, plus even more than Original Medicare covers. These additional drugs are called our Extra Covered Drugs.

Choosing covered generic drugs may save you money without sacrificing effectiveness. Generics have the same active ingredients and effects as brand name drugs, generally without the higher cost share. Generic drugs

on our Select Generics list have a \$0 copay.

### Plan pharmacies

Save by filling your prescriptions at any of our 65,000 plan pharmacies. Most national chains and many local pharmacies are in our National Discount Network.

Choose mail-order pharmacy for convenience and savings. You'll get up to 90 days of supplies — often at a lower cost than if you were to fill the same amount at a regular pharmacy. It saves time as well.

See the Summary of Benefits Chart located in the appendix for more details or call our First Impressions Welcome Team if you have questions about The Aerospace Corporation Senior Secure (HMO) with Senior Rx Plus plan benefits. 1-833-848-8729 (TTY: 711) Monday through Friday, 8 a.m. to 9 p.m. ET, except holidays

# Access to care

## Choosing your doctor

As a Senior Secure (HMO) with Senior Rx Plus plan member, you are free to choose the doctor in your plan that you want as your primary care provider (PCP). You may choose a family practice, general practice, or internal medicine doctor in your plan as your PCP. You will coordinate most of your care through your PCP, as a referral may be required by your PCP to see a specialist or other in-network doctor.

To stay covered, you need to use plan doctors and facilities, unless you have a medical emergency or urgent care situation, or for out-of-area dialysis.

If you receive routine care from doctors not in your plan, neither Medicare nor the Senior Secure (HMO) with Senior Rx Plus plan will pay for the costs.

You can use the Find Care tool or your plan's *Provider Directory* or call our **First Impressions Welcome Team** to select your PCP.

## Independent medical groups

Some plan doctors are part of an independent practice association (IPA) or medical group. That means you can only see a PCP and specialists within that IPA or medical group. If your doctor is part of this arrangement, be sure to check first with your doctor about using other doctors or facilities that are not part of the same IPA or medical group. The **First Impressions Welcome Team** is here to help you find out if your doctor is part of an IPA or medical group.

### Having a PCP in your plan means:

- You can see one doctor for most of your healthcare needs.
- Your PCP knows you and can refer you to the right specialists.

## Specialist care

If you need specialized care, your PCP or medical group may refer you to other doctors who are also in your plan. In most cases, covered services need to come from doctors and facilities in your plan.

---

# Access to care

## Referrals

When services require a referral from your PCP, referrals are for one or two visits. PCPs can make referrals that last for a longer duration (called “standing referrals”) to doctors in your plan if you need cancer pain management or have special conditions (life-threatening, degenerative, or disabling conditions that need ongoing, specialized treatment).

## Access to specialty care

Use your plan’s *Provider Directory*, try our online Find Care tool, or call our **First Impressions Welcome Team** to find out more about specialists in your plan.

Use your Senior Secure (HMO) with Senior Rx Plus plan membership card to see your doctor(s) or receive other covered benefits. Also, be sure to keep your red, white, and blue Medicare card handy, in case you need it in the future.

## Find care tool

Use our online Find Care tool to:

- Search for doctors in your area.
- See if doctors are in the plan.
- Check doctors’ awards and certifications.
- Read patient reviews of doctors.

Go to [www.anthem.com/ca](http://www.anthem.com/ca) to use the Find Care tool.

# What is Medicare?

Medicare is a federal government health insurance program for people:

- Over age 65.
- Under age 65 with certain disabilities.
- With end-stage renal disease (ESRD).
- With amyotrophic lateral sclerosis (ALS), also called Lou Gehrig’s disease.

More information is available at [www.medicare.gov](http://www.medicare.gov) or you can call **1-800-MEDICARE (1-800-633-4227)**, TTY: **1-877-486-2048**, day or night.

**Your group plan**  
is an HMO Medicare Advantage prescription drug plan.

Medicare is available as follows:

**Original Medicare**

- **Part A** provides coverage for hospital benefits.
- **Part B** provides medical benefits.

**Medicare Advantage**

- Also called **Part C**.
- Bundles Parts A and B.
- Offers supplemental benefits and a member-first service experience.
- Sometimes includes **Part D**, the prescription drug plan.

Medicare Advantage is a Medicare-approved plan available only through private insurance companies. The added benefits it offers are listed throughout this guide.

Original Medicare = government program		Offered by private insurance companies	
Medicare Part <b>A</b>	Medicare Part <b>B</b>	Medicare Part <b>C</b>	Medicare Part <b>D</b>
Original Medicare + Part C = Medicare Advantage			
Medicare Advantage + Part D = MAPD plan			

# Medicare Advantage vs Original Medicare

**Traveling outside of the U.S.?**  
**Medicare Advantage members have emergency care coverage.**

## Compare coverage

The good thing about Medicare Advantage is that it limits how much you'll spend each year on treatment. **Plus, the prices are often fixed, so you'll have a better idea of how much something will cost beforehand.**

Medicare Advantage Part D also offers prescription drug coverage — something Original Medicare doesn't offer.

Medicare Advantage (Part D)	Original Medicare
Plan pays 100% of covered medical costs for rest of plan year after max out-of-pocket is met*	No limit to medical costs members pay annually — no annual out-of-pocket maximum
Members often pay copays (fixed dollar amounts) for more transparency	Members pay percentage of costs (20% of the cost for common services like outpatient surgery and doctor visits)
Emergency care is covered outside of U.S.	No emergency care coverage outside of U.S.
Many plans include drug coverage	No Part D prescription drug coverage

**Enroll now**  
If you're ready to enroll, please go to page 21 to get started.

\* Not all medical costs are included in or are subject to the annual out-of-pocket maximum. See the Summary of Benefits Chart located in the appendix for more details or call our **First Impressions Welcome Team** if you have questions about The Aerospace Corporation Senior Secure (HMO) with Senior Rx Plus plan benefits. **1-833-848-8729 (TTY: 711) Monday through Friday, 8 a.m. to 9 p.m. ET, except holidays**

# Prescription drug coverage with Part D

The plan in this guide is also known as a Medicare D plan. It includes prescription drug coverage. All of our covered drugs appear on a drug list, called the Part D Formulary. This plan also covers drugs beyond those that Medicare allows, which appear on a separate list called *Extra Covered Drugs*.

**If you take a medicine that is not covered, you have three options. You can:**

- 1. Ask your doctor to switch you to a covered drug.
- 2. Request an exception.
- 3. Request a temporary supply while discussing other drug options with your doctor.

Drug type	Description	Possible tier coverage <sup>2</sup>	Cost
Generic <sup>1</sup>	Same active ingredients and effects as brand name drug without the brand name	Tier 1	\$
Preferred brand name	Safe and effective brand name drugs that may not have a generic alternative	Tier 2	\$\$
Nonpreferred brand name	Less commonly used brand name drugs that usually have a generic alternative	Tier 3	\$\$\$
Specialty	Cost over \$830 for 30 days. May require special handling.	Highest tier	\$\$\$\$

Covered drugs are divided into levels, or tiers. Drugs on the lowest-numbered tier generally cost less, while drugs on the highest-numbered tier generally cost the most. Each tier contains drugs that we cover based on their safety and effectiveness. This chart provides an overview of how the tiers and pricing generally work.

<sup>1</sup> High-cost generic medications may also appear on the same tiers as brand name medications. Please consult the formulary for specific tier details.

<sup>2</sup> Some drug lists divide generic drugs into two tiers. For those lists, the tier number increases by one for all tiers after the first. For example, Tier 1 becomes Tier 1 and Tier 2, and the numbering continues up the tiers.

- Vaccines:** Medicare covers some vaccines under Medicare Part B medical coverage and other vaccines under Medicare Part D drug coverage. Vaccines for Flu, including H1N1, and Pneumonia are covered under Medicare medical coverage. Vaccines for Chicken Pox, Shingles, Tetanus, Diphtheria, Meningitis, Rabies, Polio, Yellow Fever, and Hepatitis A are covered under Medicare drug coverage. Hepatitis B is covered under drug coverage unless you fall into a high risk category, then it is covered under medical coverage. Other common vaccines are also covered under Medicare drug coverage for Medicare-eligible individuals under 65. You can fill your vaccines at a network pharmacy or they can be administered at a physician's office. However, the physician will only submit a claim for a Part B vaccine. If you want to get a Part D vaccine at your physician's office you will pay for the entire cost of the vaccine and its administration and then ask your drug plan to pay its share of the cost. Please see your *Evidence of Coverage* for complete details on what you pay for vaccines.
- Senior Rx Plus:** Your supplemental drug benefit is non-Medicare coverage that reduces the amount you pay, after your Group Part D benefits and the Coverage Gap Discount. The copay or coinsurance shown in this benefits chart is the amount you pay for covered drugs filled at network pharmacies.

## Your rights, protections, and Medicare options

As a Medicare beneficiary, you have many rights and options put in place to protect you as a consumer. You have choices.

As a Medicare beneficiary, you can choose between:

- The Original (Fee-for-Service) Medicare plan.
- A Medicare health plan like the one offered in this guide.

### You may have other options

The important thing to remember is that the choice is yours, keeping in mind that you may be able to join or leave a plan only at certain times. Please note that if you do not take your retiree benefits, it may affect other retiree benefits your group sponsor offers. No matter what you decide, you may still be eligible for the Original Medicare program.

### Geographic service areas covered by this plan

Our service area includes these counties in California: Alameda, Butte, El Dorado, Fresno, Kern, Kings, Los Angeles, Madera, Monterey, Orange, Placer, Riverside, Sacramento, San Benito, San Bernardino, San Diego, San Francisco, San Joaquin, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Shasta, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare, Ventura, Yolo, Yuba.

### Your Medicare protections

The plan must offer Medicare benefits to you for a full calendar year at a time, although benefits and cost sharing may change from year to year. The plan provider can decide each year whether to keep offering Medicare Advantage plans, or

whether or not to continue offering plans in specific geographic areas like yours.

Also, Medicare may decide to end our contract.

If for some reason this plan is discontinued, we will send you a letter at least 90 days before your coverage ends explaining your options for Medicare coverage in your area.

For more information on the options and rights you have as a Medicare Advantage member with this plan, please contact our **First Impressions Welcome Team** and ask for a copy of the *Evidence of Coverage (EOC)*.

### Extra Help from Medicare

You may be able to find help to pay for your prescription drugs and other Medicare costs. If you qualify for Medicare's Extra Help and are enrolled in a Part D plan like this one, Medicare can pay up to 100% of your prescribed drugs. This can help offset your drug plan's monthly premium, plus coinsurance and copays for covered prescription drugs.

Extra Help can also close any drug coverage gaps and stop late enrollment penalties (LEPs). For more information, visit **[www.medicare.gov](http://www.medicare.gov)** or **[www.ssa.gov](http://www.ssa.gov)**, or call:

- **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, seven days a week. TTY users should call **1-877-486-2048**.
- **The Social Security Administration** at **1-800-772-1213**, Monday – Friday, 7 a.m. to 7 p.m. ET. TTY users should call **1-800-325-0778**.
- Your state Medicaid office.

# Required information for this plan year

## Information about Medicare

To help you make more informed healthcare decisions, we are providing this important information about Medicare to use as a resource. If you have any questions, please contact our **First Impressions Welcome Team**.

### Pay your Medicare Part B premium

Once you enroll in this plan, you must still pay your Medicare Part B premiums. If you don't, Medicare will terminate your coverage and then you may have to pay a late enrollment penalty if you decide to re-enroll.

### Enrolling in other plans

If you decide to enroll in other plans, you will be disenrolled from your current plan.

### Notifying your group sponsor

To ensure a smooth enrollment, make sure your group sponsor has your most up-to-date information and that it matches your Social Security information.

### What to know about a drug list

A drug list is a list of drugs covered by the plan. We choose our list to provide good prescription coverage and a good value to you, as well.

Your full Benefits Charts will tell you if you have an open or closed drug list plan. Open plans cover almost all Medicare Part D eligible drugs, while closed plans cover most.

When new drugs come to market, we conduct a clinical and cost review and may add them to the drug list. To keep plans affordable, every year we may also remove drugs or change the

cost you pay for them the following year. But don't worry; we'll notify you first and send you a new drug list when we make these changes.

**Important: Check to see if your drug is on the drug list before you go to the pharmacy.**

**If the drug you take is not on our drug list, you will have to pay the full price of the drug.**

If that's the case, or if your drug comes with additional requirements or limits, you may be able to receive a temporary supply. We will notify you once the temporary supply is dispensed. You will have to contact your doctor and ask if you can switch to a different drug listed on our drug list.

### About IRMAA and your income level

If your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit, you must pay an income-related monthly adjustment amount (IRMAA) in addition to your monthly plan premium.

The Social Security Administration will contact you if you have to pay an IRMAA, which you must pay to them, not us.

### High-income surcharges

If you must pay a high-income surcharge on your Medicare Part B or Part D premium to the Social Security Administration, please be sure to do so to avoid a mandatory disenrollment.

This guide is intended to be a brief outline of coverage and is not intended to be a legal contract. In the event of a conflict between the Benefits Charts/*EOC* and this guide, the terms of the Benefits Charts and *EOC* will prevail.

### Coordination of Benefits (COB) letter

If we receive Coordination of Benefits (COB) information from CMS, we are required to send a letter to you requesting verification of the other coverage information. The benefit verification letter we send will include information from CMS, including any other coverage that needs to be verified. Separately, we could receive COB information from other reporting sources in addition to CMS.

If the information is not correct in the letter, you can call <Member Services> or you can fill in the correct information on the letter and return it to the plan for processing.

If a response is not received within 21 days, the information on the letter is considered to be accurate.

If the previous carrier does not notify CMS of the previous plan termination prior to the plan enrollment process, a COB letter could be triggered for the plan that was just terminated.
